PARLIAMENTARY QUESTIONS

On 11 May, MP Murali Pillai noted two recent racial incidents connected to COVID-19 that were reported in the press and sought clarifications from MIN K Shanmugam regarding his assessment of the security situation arising from these incidents. MIN Shanmugam addressed the issue and condemned the acts as racist.

“We have seen racism around the world during this pandemic... We have to condemn such behaviour in Singapore... The majority of Singaporeans are decent and not racist, but if we continue to fan the flames of racism, we will get to a more uncomfortable position... We will fail if we allow racism and xenophobia to become prevalent, and it is contrary to everything that has made us successful and proud to be Singaporean.”

JUST THE FACTS

TRUTH ABOUT SPF OFFICERS

On 19 May, SPF issued a statement addressing false allegations online against SPF officers who'd attended to an elderly woman with dementia in Yishun.

On 21 May, Correction Directions under POFMA were issued to three parties who'd made the false allegations. Following further allegations by The Online Citizen Asia (TOC), SPF released a video on 25 May reaffirming the facts of the case and showing body-worn camera footage of the incident.

Speaking to the media that same evening, MIN K Shanmugam restated his support for officers carrying out their duties and called out TOC for its unethical actions.

“TOC took one such incident... twisted the facts and said Police bullied her, chased her away. TOC has done this to try and cast doubt on the Police, to damage the trust that people have in the Police. And it is really a disservice to the thousands of Police officers who have been fighting at the frontlines, for the whole of last year, and so far this year, dealing with COVID-19 while keeping law and order.”

HOME TEAM PROMOTIONS CEREMONY

The Home Team Promotion Ceremony was held virtually on 19 May, for officers promoted to the rank of Lieutenant-Colonel or Superintendent and above, and equivalent grades in the Voluntary Special Constabulary (VSC), Civil Defence Auxiliary Unit (CDAU) and civilian schemes of service. MIN K Shanmugam was the Guest of Honour at the Ceremony.

A total of 6,280 officers were promoted this year. They comprise regular officers; Operationally Ready National Servicemen from SPF and SCDF; and volunteers from VSC and CDAU. Congratulations to all promotees!

“Maintaining public trust and confidence does not always mean making popular decisions. It means being prepared to make difficult decisions for the wider public good, even if the decisions are unpopular. The responsibility of leadership is to do what is difficult but right, and communicate, explain, bring around people.”
